

Biography

Babette Renneberg, PhD, is Professor for Clinical Psychology and Psychotherapy at Freie Universitaet Berlin, Germany, supervisor and trainer in cognitive-behavior therapy. She is director of the Outpatient Psychotherapy Treatment Center at Freie Universität and director of a training program in child and adolescent cognitive-behavior therapy (ZGFU). Her research interests are basic and applied research in personality disorders, anxiety disorders, and psychosocial factors in physical illness. Together with her colleagues, she developed a treatment approach for avoidant personality disorder, a treatment approach for patients with severe burn injuries and more recently a parenting program for mothers with borderline personality disorder. She has received awards for her dissertation (on personality disorders in agoraphobic outpatients) and for her work on rejection sensitivity in borderline personality disorder.
