

Ueli Kramer, PhD, is Professor for Psychiatry and Psychotherapy, psychotherapy researcher and clinical psychotherapist according to Federal Law, Director of the Institute of Psychotherapy, at the Department of Psychiatry, University of Lausanne, Switzerland. He holds an adjunct appointment at the Department of Psychology, University of Windsor, Canada. His research focuses on process and outcome in psychotherapy, in particular the mechanisms of change in treatments of personality disorders, and case formulation in personality disorders. Dr. Kramer has published over 180 scientific contributions, and ten books. He is a broadly trained clinician, author and editor, working from an integrative psychotherapy perspective. Dr. Ueli Kramer is Past President of the European Society for Psychotherapy Research (EU-SPR) and was Vice-President of the French-Speaking Society for the Study of Personality Disorders (AFERTP). Dr. Kramer is the co-recipient of the 2015 Inger Salling Award, the recipient of the 2016 Outstanding Early Career Achievement Award of the Society for Psychotherapy Research, of the 2016 Hamburg GePS Award for Personality Disorders, of the 2018 Marvin Goldfried New Researcher Award of the Society for the Exploration of Psychotherapy Integration and of the 2019 AEMD Marina Picasso Award. He is Associate Editor in two scientific journals (APA and Elsevier), has been Special Editor in six Special Issues in top-tier journals in the field of psychotherapy.
